

Case Study /

Ashford Accident

Total Savings on
Previous Contracts

£1,610.26

In the clients words,

I was more than happy when Fox Energy approached me regarding a case study. I have to say that dealing with 'Fox' has been a breath of fresh air! They have been professional in their dealings with us, delivered what they promised and we look forward to working with them in to the future.

How that's broken down /

Electric Usage Yearly
- **96,852 kWh**

- Costs Reduced by **8.35%**
