Case Study /

## Super Laundry

superlaundry

Total Savings on  
Previous Contracts

**£41,352.78**

### In the clients words,

Running a multi-million pound business means I get lots of people contacting saying they can save me money and inevitably this is not always the case! With Fox Energy, Paul and Tom have done just what they promised and saved my business £000's on gas and electricity each year. There was no hard sell just realistic quotes based on my usage with a couple of varying options in terms of length of contract and savings available.

### How that's broken down /

Electric Usage Yearly (ACCROSS GROUP)

- **322,560 kWh**

- Costs Reduced by **14.93%**

A Yearly Saving of **£6,720.98!**

Gas Usage Yearly (ACCROSS GROUP)

- **7,236,065 kWh**

- Costs Reduced by **12.46%**

A Yearly Saving of **£34,631.80!**
